To Property Owners and Painters.

As a business transaction, would you be willing to pay one dollar for an article you could purchase for ninety cents?

We are the Agents for Providence and vicinity for

Wadsworth, Martinez & Longman's

Pure Prepared Paints,

And we claim that they are the

Cheapest and Best Paints in America.

And we don't make this assertion and leave it unsupported. Paint one-half of any surface, or one-half of any building, with this paint, and the other half with strictly pure white lead and linseed oil, or any other mixed paint in this country, and if the part painted with this paint does not cost 10 per cent. less for paint used, we will make no charge for our paint. And further, any building that has been painted with this paint that is not satisfactory to the owner, and not remaining so for a proper term of years, we will repaint at our expense with white lead and linseed oil, or any other paint he may select. As many of the prepared paints are adulterated with benzine and water, we make this liberal offer: We will pay one thousand dollars for any benzine or water found in any original package of Wadsworth, Martinez & Longman's Pure prepared Paint.
