DENTISTRY! ✻

DR. W. R. LAMB,

66 MAIN STREET, EAST GREENWICH,

HAS THE LATEST improvements and the best facilities for performing all kinds of dental operations in the most thorough manner, and at the lowest rates consistent with first-class Dentistry.

WHILE CHARGING moderate rates and making it an object for all in this vicinity to have their Dentistry done here, my competition with other Dentists will be in excellence of workmanship which is the only basis upon which a dental practice should stand.

I ADMINISTER pure Nitrous Oxide Gas, Ether and the Boston Vegetable Anæsthetic, besides Cocaine and other local Anæsthetics for the painless extraction of teeth. Those wishing to take any of these are assured that they will have the advantage of every attention and detail known to dentistry and medicine.

I GIVE SPECIAL ATTENTION to the filling of sensitive teeth, and aim to make the filling process as nearly painless as possible. Besides filling with Gold, Silver, Cement, Platina and other materials, I do crown work and make restorations in the front teeth with porcelain inlays, which is the latest, best and most artistic work in operative dentistry. Every filling is registered and warranted.

I USE ONLY THE FINEST TEETH and the best materials in the construction of artificial dentures. Great care is taken to make them natural in appearance, correct in expression and fit, and they are warranted to be satisfactory in every way. I make the combined black and pink rubber plate, which is more beautiful and more natural in appearance than any other kind. Those having this kind are never troubled with sore mouth. I also make rubber plates and line them on the inside with gold. This is positively as good as a set made entirely of gold and costs only a fourth as much. Those who are wearing teeth that are unnatural in appearance or defective in fit or expression may come to my office and have a set made which they may wear one month on trial. At the expiration of that time they can decide if the teeth are satisfactory, and whether or not they will purchase them. In all other cases my terms are strictly cash for both operative and mechanical dentistry.

Office Hours:—from 9 to 10 a. m., and 2 to 5 p. m.
