Senior Class

A new generation is born and succeeds the passing generation; so it is with the Class of '34 and thus will this age so continue. Our entrance into E. G. A. was not shown by any pomp or ceremony, but rather by just the opposite. The Freshman year began on September 15, 1930, when our class entered the portals of E. G. A. With the aid of upperclassmen we "Freshies" were encouraged toward organization. The first Class meeting was held a short while after our entrance with the following elected as officers:

Junior Class

Direct and unswerving, the gold-feathered arrow speeds straight to its archer's mark. We, of the Junior Class, began in that same manner by the "spirited" success of the Hallowe'en Dance under the guiding supervision of:

CREIGHTON WELLEN ..... *President*
ELIZABETH CRAWLEY ..... *Vice-President*
HERMAN JACOBSON ..... *Treasurer*
GERALDINE PORTALUPPI ..... *Secretary*

Because of the many new faces that "bobbed up", we early decided to bury the ever-present hatchet and ally our forces with the Seniors at a "mixer" at the Frenchtown Community Club which ended with a long straw ride back to E. G. A. On the return there was an attempt at sing-

Sophomore Class

The year 1932 found us as Freshies, full of vigor and vim in the Junior High School. We adjusted ourselves as quickly as possible to the new routine, and before a week and half had ended we organized.

At last came the year we were looking forward to, our Sophomore year at E. G. A. So, on a crisp morning in September, 1933 a group of enthusiastic boys and girls, coming from all directions, entered E. G. A.

Within a few weeks the class assembled under the leadership of Miss Elsie Waterman, Milton Le Baron, and Mr. Donald B. Grover, with the following officers:

STEWART CHACE . . . . . *President*
HELEN M. OLSON . . . . . *Vice-President*
ELINOR SCHLEMMER . . . . . *Secretary*
CHARLES HAIRE . . . . . *Treasurer*

Freshmen Class

We Freshmen are proud to say that our numbers have increased and that for the first time since 1931 the Freshmen were able to organize into a class. Our advisors, to whom we owe much credit, are Miss Giles and Miss Burgess.

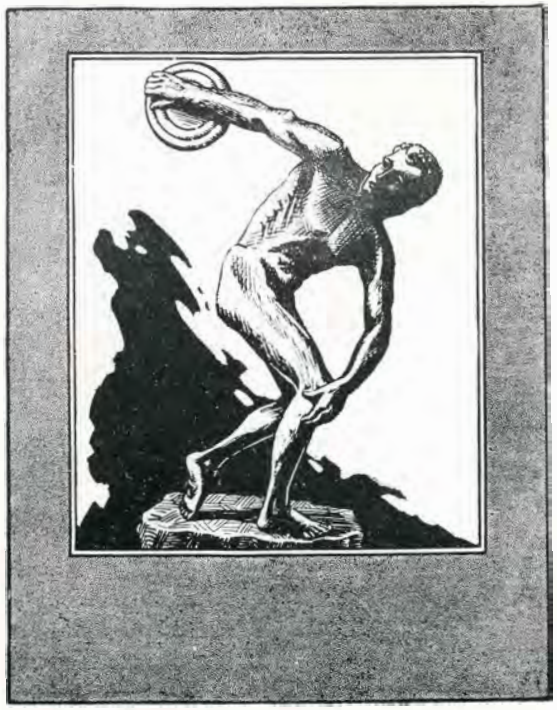

The officers are JANE MARTIN—*President*, GEORGE BURDICK—*Vice-President*, MAZIE FORMAN—*Secretary* and RUTH BRIGGS—*Treasurer*.

Through the cooperation of all the members we were able to maintain 100% A. A. Membership, give a tea dance in Eastman, compete with the Juniors in a play competition and be the first Class to pay the $10.00 Crimson Assessment.

The Olney Dorm, home of the Junior School, is under the capable direction of Mrs. Cora Lou Stewart.

A SENIOR'S RECOLLECTIONS

These idle thoughts, dear Diary,
Were written just for you,
And now please open wide your leaves,
For all our friends to view.

September 11. Dear Diary, this is my first entry, and, at the end of a long vacation, it feels pretty swell to register at school for 1933-34 and see many new and old friends.

13. First day of classes—although it is the thirteenth and supposedly an unlucky day, dear Diary, we consider it rather lucky to start school again, don't we?—and it's our last year at E. G. A.

October 4. I haven't written in you in quite a long time but forgive me. I've decided to write in only the most important affairs. Today there's lots of excitement around school because it's the first football game and we have a fine-looking squad.

6. Tonight is the Senior Fall Prom. The gym is decorated, looking its finest. This is a good chance for all to get acquainted, and discuss their summer activities with old friends.

20. Today has been one of the most interesting days so far. Freshmen-Sophomore Day!

The Freshies and Sophs almost "put one over" on the Juniors and Seniors by kidnaping the Class Presidents—only the Presidents freed themselves and the poor Sophs and Freshmen suffered for the rest of the day. We must say they took it as good sports, and didn't deserve all that came to them!

27. Another dance this month. The Junior Class certainly made the Hallowe'en Social a pleasant affair.

31. We're doing something different this year—having class meetings every Tuesday morning for twenty-five minutes. It's a good idea.

November 13. Two months have passed since school began. Class basketball teams started practice today.

14. Girls' basket-ball started. There are about twenty-five candidates, so we are anticipating a most successful season!

Competitions between the boys' class teams started also. The Sophomores beat the Seniors and the Seniors were victorious over the Juniors.

17. The boys' varsity team has their first game! It was a victory! Howard Allen is coaching the boys' team this year.

Top Row: Mr. Williams, S. Chace, J. Jacques, E. Baker, J. Atwood, I. Shuster, Mr. Grover.

November 21. The Junior Class Girls' Basketball team can boast of success! They were victorious over both the Sophomores and Seniors!

24. Another practice for the gym team with Mr. White to-day! They certainly do like it.

The Freshmen and Sophomores are already starting to do "things"—tonight they had a party and didn't invite the upper classmen, but then, the Juniors and Seniors have plans, too!

25. Now, it's the Juniors' and Seniors' turn. We went to Frenchtown in a straw-lined truck. We were all "packed" in like sardines, but even that was fun! After the party we went for a straw ride.

December 9. After a few more practice games, the Varsity was ready to play the first real game of the season, and with the Alumni! This also proved to be a victory! We had a dance after the game.

15. The Red Literary Society gave a program today. Tonight the boys went to West Warwick to play basketball. It was the first defeat of the season—37-34.

16. The Sophomores seem to be making a name for themselves! In the play competition, they defeated the Seniors. The Sophs put on a one-act comedy, proving themselves to be quite a talented class. A one-act tragedy was played by the Seniors.

21. The boarders are having a Christmas party tonight at the Olney—and tomorrow vacation begins—ten whole days of no school and no homework (our greatest worry and dread).

January 5. Starting the New Year off right—the Sophomore class put on a New Year's Prom. E. G. A. is expecting to have the happiest and busiest year in her history.

12. Basketball games tonight—the boys vs. R. I. College of Education and the girls first game of the season with North Kingstown. Success, both victories.

19. West Warwick visited E. G. A. tonight. Both E. G. A. varsity teams defeated their visitors.

23. The boys played St. Raphael making their third successive victory.

28. Well, three of the worst school days have passed. The future looks bright for some of the students and pretty dull for others! But now that the Mid-Year Exams are over—it seems much easier to breathe.

The girls' varsity had the first defeat of the season tonight at the hands of Warwick. Warwick now leads in the league.

February 2. The girls played North Kingstown adding another victory to their list. The squad had previously elected Viola Carcieri as Cap-

tain and under her able leadership they seem to be fighting their way to the top.

3. St. Raphael turned the tables by defeating the E. G. A. boys at Pawtucket.

6. A double-header tonight with R. I. School of Deaf. Victories are adding up for both teams.

8. Can you imagine swimming at 20 below zero? The boys' basket-ball team did but everything has an explanation—in spite of the cold weather the team ventured to Plainfield, Conn. where they played basket-ball but were defeated. After the game they went swimming in the pool.

10. The Juniors held a Sport Dance, certainly the most appropriate kind of dance to have after such an active week.

13. Westerly journeyed to E. G. A. It was a well-fought game for both teams but as the better team usually wins, E. G. A. was no exception.

16. The Juniors proved their ability by defeating the Freshmen in a one-act play competition. We are awaiting the play-offs now between the Junior and Sophomore classes.

22. To-day twelve members from the gym team traveled to Springfield for the annual college gym exhibition. They ran into a blizzard on the return and arrived home at 3:30 A. M.

23. Twelve absent from school to-day—Guess they just couldn't take it.

Although the girls were defeated in a game with Olneyville Boys' Club Auxiliary, the Crimson boys defeated North Kingstown.

24. Long rides don't seem to agree with the boys' varsity squad. After the drive to Taunton to play Coyle High, Coyle triumphed over the Red and White team.

March

2. Again the girls "bring home the bacon". Defeating West Warwick for the second time, puts E. G. A. as runner-up for league championship.

Two victories in one evening make things look rather bright. At New Bedford, the boys were the victors over Holy Family.

6. The boys as yet have not been defeated on the home floor. E. G. A. overcame Coyle in a well-fought battle.

9. Tonight the girls lost their chance of becoming league champions—Warwick subdued the E. G. A. sextet, thus winning the cup.

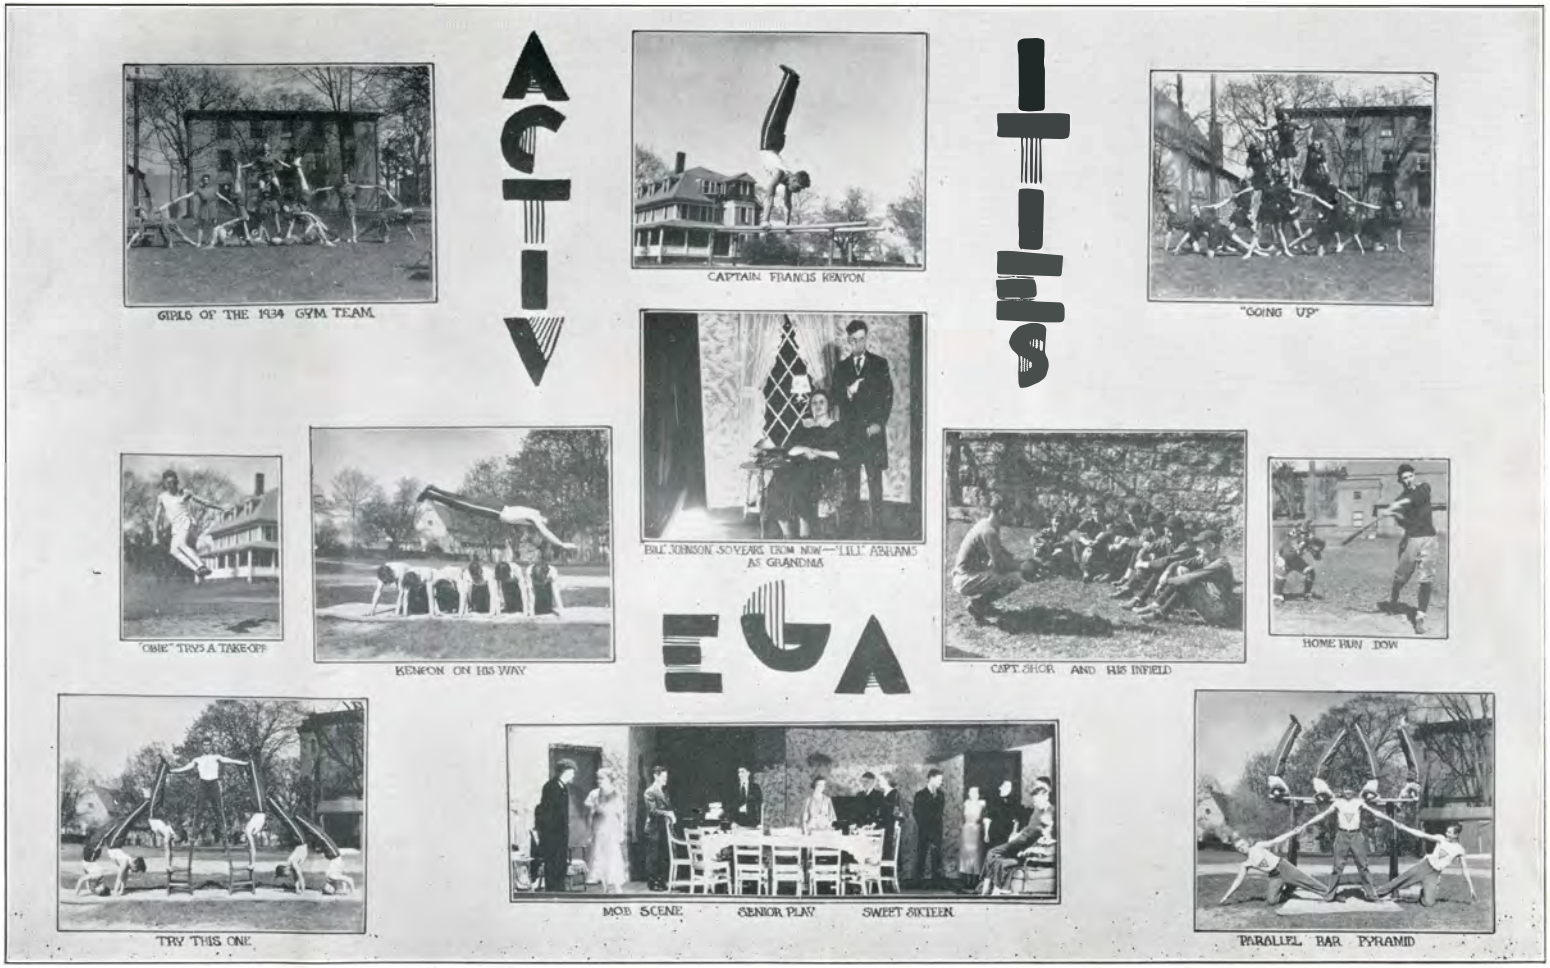

The boys quintet, however, won over R. I. College of Education. This evened things up for the evening.

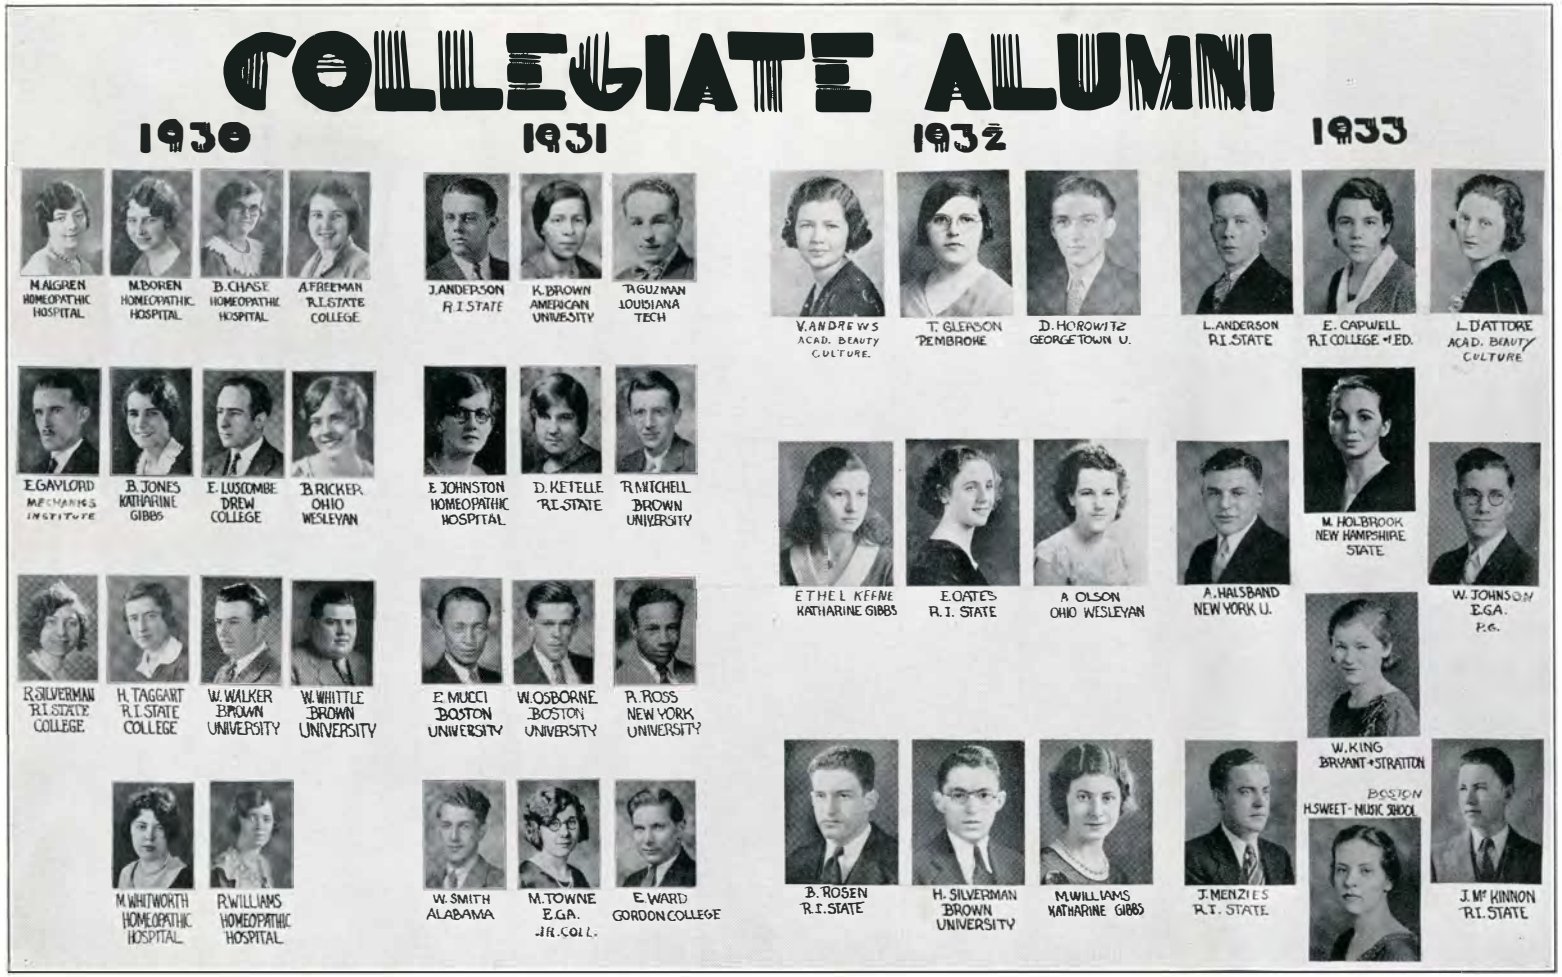

16. Basket-ball games with the Alumni ended the basket-ball season with two victories.

17. The final play competition between the Sophs and Juniors was held tonight. Hurrah for the Sophs.

23. Faculty vs Boys' Varsity tonight. Result—a riot.

Senior History – continued

President.....PERRY SHOR
Vice-President.....HELEN OLSON
Treasurer.....LEONARD SOLOMON
Secretary.....HOPE LINDBERG

The arrival of Freshman Day was the first event to break up the smooth-going routine of the "first yearers." According to rules enforced by the Seniors we Freshmen came to class clad in green array. Settling down again, the Frosh showed their acting abilities by the presentation of four one-act plays, which were met with great applause by their superior classmates. Thus our first year slid by, leaving only a shadow of memories to mark our initial advance in the great struggle for knowledge.

In order to assemble things for the Sophomore year we held a class meeting upon our return electing:

President.....PERRY SHOR
Vice-President.....HELEN JAMES
Treasurer.....FRANK GILL
Secretary.....NORMA JAMES

Mrs. Laurence Heath and Edward Intas were chosen as advisors.

We started our Junior year by holding a class meeting for the election of officers. The results were:

President.....FRANK GILL
Vice-President....ADELLE BROWN
Treasurer.....ARTHUR ERICSON
Secretary.....HOPE LINDBERG

Miss Jeanette Burgess and Rudolph Swanson were chosen as Advisors. There were many memorable events which occurred in our Junior year. We sponsored the first social function of the year—A Saint Patrick's Social, which proved to be a gala affair. A straw ride, in the middle of winter to a cottage at Johnson's Pond delighted the students. Not only did the Junior Class always undertake to put over "good times," but also in February, they presented Captain Stanley Osborne, who lectured on New Zealand and Australia. The outstanding event of the year was the annual Junior-Senior Prom, a most successful affair. Much ability was shown in the Junior Class especially in the Prize Speaking Contest in which three of its members reached the finals, with Norma James taking second prize. We also showed our ability in editing a newspaper. "The Dragon".

We found ourselves in the autumn of 1933 congregated for the last time at E. G. A. We noticed that a dignified look of responsibility and seriousness had settled upon the faces of our classmates. We were the heads, the leaders, and all our decisions and actions would be taken as guiding stars by the more inexperienced of the school.

These qualifications were quickly taken advantage of when we made rules and regulations for the Freshmen and Sophs. Our trials and embarrassments of some former years were put to rest when it became our duty to initiate these "newcomers."

Organization was marked by the election of the following officers:

President.....PERRY SHOR
Vice-President.....NORMA JAMES
Treasurer.....FRANK GILL
Secretary.....HELEN OLSON

Dean and Mrs. J. Parker Williams were selected to guide the class in its year's work.

Our first efforts as a class were to sponsor an Alumni Ball, select class rings, cooperate with the Juniors at a "mixer" at the Frenchtown Community Club, promote a successful food sale and present the one-act play, "Lights Out", in competition with the Sophs.

On May 11, the Seniors, under the direction of the class advisors, presented "Sweet Sixteen", a comedy of human life, a play which enjoyed a signal success at E. G. A.

Immediately after this event had closed, the Crimson Board, which had been chosen a short while before, began their work in editing the 1934 Year-book. Helen Olson was elected as editor-in-chief and Mary Hunt, assistant editor, while Hope Lindberg was chosen business manager, with Rose Waterman, Doris Algren and Lillian Abrams as associates. In spite of the fact that the opposite sex did not find any places on this staff, the class has the satisfaction of feeling that this publication will be a success.

Now, with our Senior year nearly complete, our thoughts turn to graduation. Graduation, that magic word which spells reward for all the years of study and work, years in which friends have been made, knowledge gained and experiences encountered.

To our class advisors, Dean and Mrs. Williams, we wish to extend our heartiest appreciation in aiding and helping to make our Senior Age a happy and memorable one. May all good fortune and happiness be the reward of the class of '34 as it ventures out into the world.

Junior Class History—continued

ing our Alma Mater; the spirit was there but the harmony-----!

Keen play competition was the prevailing note to the joint interest of every class for two months. Those Sophs—first they beat the Seniors, then, after we triumphed over the Freshmen, they thrust their dramatically branded sword into our poorly protected side; but "Safety Pins First" and "Pa's New Housekeeper", as our productions, will always give a merry laugh especially to those who were in the cast.

Our last social was the Valentine Sport Dance which gave Gerry an opportunity to display a mean talent by a snappy dance number.

We are now working earnestly and diligently for that gala send-off to the Seniors—the Junior-Senior Prom. We'll make it a success and a grand one too.

Sophomore Class History—continued

As an initiation into the school, we were asked to join the Freshies in a Freshmen-Sophomore day. At the end of this hilarious day, we trudged homeward with happy thoughts for the future at E. G. A.

To open the Social Season, a Sophomore party was held, followed by a New Years Dance, which was a great success.

Then came the inter-class play competition, which added glory to the Sophs, since they defeated the powerful Seniors. Then the Juniors defeated the Freshies and we had to defend our title against the Juniors, but as usual we carried off the honors.

Many more exciting events completed the season and now we are looking forward to our Junior year.

We wish to express our sincere appreciation to our advisors, Miss Waterman, Milton Le Baron and Mr. Grover, for their whole-hearted efforts in making this year a happy and successful one for us.

28. Annual Gym Exhibition tonight. What a crowd and what a show. Members of Arnold College Gym Team, Mr. White and Mr. Raymond, of the Providence Y. M. C. A., and forty attractively costumed members of the student body gave a splendid performance. Mr. Williams, Director, together with the team Captain, Francis Kenyon, are to be commended for their excellent work.

29. Another ten-day vacation. Forty tired gymnasts feel as if they earned this rest! So say we all.

April 14. Again school on Saturday, but we must be thankful for the fact that this is the last.

18. Moses Brown defeated E. G. A. at Providence, in the first baseball game of the season.

24. The second game—and another loss. Westerly were the victors this time. Perry Shor was unanimously elected captain of the team.

May 2. The Gym Leaders today put on a splendid performance for the 1400 members of the Gilbert Stuart Junior High School.

4. E. G. A. boasted its first victory today over the Wheeler School.

7. Since E. G. A. was victorious over West Warwick in basketball— West Warwick claimed the honors on the baseball diamond.

9. The girls' undefeated 1933 tennis team can still claim that honor after defeating South Kingstown this afternoon.

11. The Senior play "Sweet Sixteen" was given tonight! It proved to be a most successful affair.

Another success of the day was the upset of Durfee Tech by E. G. A. on the home field.

16. The girls' tennis team competed with Warwick today—winning by a score of 2-1.

17. The tennis team of Pembroke was the hostess of E. G. A.'s team. E. G. A. remains undefeated, breaking all predictions.

18. The students of West Warwick Junior High School certainly showed that they liked the Gym Leaders program.

May 21. Tomorrow we play West Warwick! Good luck, boys!

Dear Diary—After reading what your precious pages have written upon them, we find some of the leaves torn out. As I remember there were about four more baseball games—with Westerly, Durfee High, Rhode Island College of Education, and the Alumni. I recall too that the Commencement program began on June 7.

You certainly have unfolded, dear Diary, many secrets and have brought us back to the time when we spent our happiest moments—our four years at E. G. A.
